

# Marsden Club

NEWSLETTER

2016

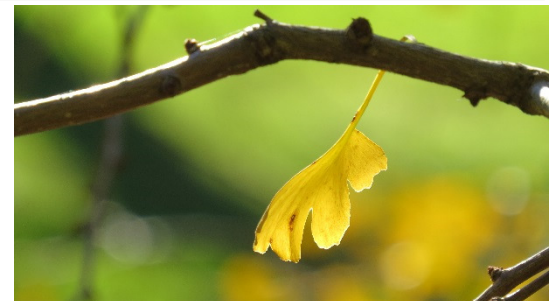

**Annual General Meeting** will be held on the 6<sup>th</sup> July 6pm at the Chelsea Club, 7 Toru Street, Lyall Bay. Everyone is welcome.

The kitchen renovation is in process from the 27<sup>th</sup> June to 17<sup>th</sup> July. We are still looking after our members at the Marsden Club during this period with some necessary adjustments. We anticipate there will be some extra noise, but we will do everything that we can for our member's convenience. These photos shows the progress of work.

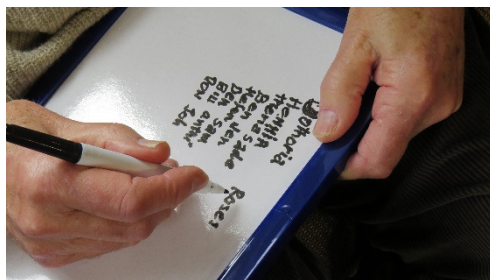

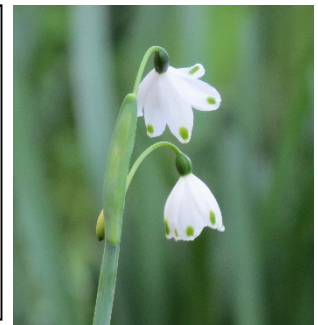

Thank you to the family and friends of the late John Baber for their generous donations. Also thank you to the NZ Lotteries Commission for their grant which contributes to the cost of providing outings and music therapy for our members.

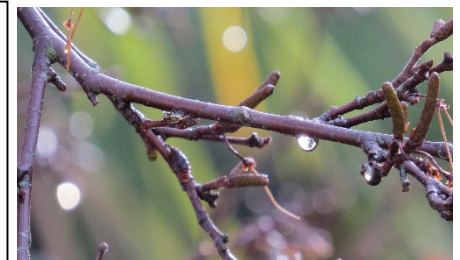

New activities were introduced in June. As part of art therapy, colouring pictures which were designed for adults became popular fast.

The Botanical Garden are always beautiful, also a great place for outings. These photos were taken in the first week of July. Snowdrops starting to flower.

The other new activity involves answering questions by writing on individual white boards, this refreshes many skills.

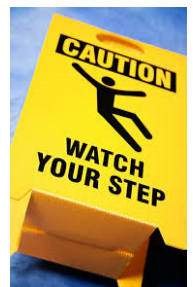

We had plenty of rainy days in June, and it still continues. Keep yourself dry and warm.

One of other art projects and a favourite activity was painting on canvas with autumn colours.

**We love to be here**

Unfortunately accidents can happen. In the last couple of weeks some of our members have had falls in their homes. Please take care, be aware and prevent slips, trips and falls.

Warm Regards from the Marsden Club
