NEWSLETTER

2016

June

ANNUAL MEETING

Annual General Meeting will be held on the 6th July 6pm at the Chelsea Club, 7 Toru Street Lyall Bay. Everyone is welcome.

Our kitchen before the renovation. Updated photos after the renovation coming in August.

We are closed Monday 6th June for the Queen's Birthday Public Holiday

The kitchen renovation will take place from the 27th June to 17th July. We will still look after our members at the Marsden Club during this period with some necessary adjustments. We anticipate there will be some extra noise, but we will do everything that we can for our member's convenience.

We visited the Maritime Museum, which shares fascinating stories of the Wellington region. We will go back.

One of our outings was in small groups to take the Cable Car for a trip.

In May the Community Bus destination was Petone and Days Bay. We had a lovely sunny day out.

Nature's Flu Shot

In the last couple of weeks people have got sick with flu or cold symptoms. Please make sure if you are sick to see the doctor, and ask their advice when you should come back to us to prevent other members becoming sick.

There is no doubt that winter is here. We have had lots of rainy and cold days already. In these weeks our natural environment is very colourful. If the weather is nice and sunny make the most of it and take the time to enjoy it.

Warm Regards from the Marsden Club
