Our six monthly annual fire drills have now been completed. All staff and members were involved and everyone evacuated the building calmly and promptly. Thank you to everyone for their co-operation. Safety is our priority!

The art sessions are all about autumn and its beautiful colours. Drawing, painting, colouring are always enjoyable activities and give us the opportunity to express the beauty of nature in our artwork. It also helps our members to keep track of the seasonal changes.

One of the new activities in April was drawing a self-portrait with the help of a mirror. We have had lots of great projects. Just check this picture out!

One of the popular activities in April was Scrabble and other word games. Scrabble Word Finder is excellent for maintaining vocabulary. It also helps to keep communication and reading skills alive.

Some days our little canine friend Sammy is on duty to guard our members.

Newspapers, including the Dominion Post are always available for our members. We also read articles from them and have discussions about current events on most of days.
