2016

November

Christmas Lunch will be at 11.45am
Friday 25th of November at Wilton Bowling Club
If you need transport please let us know. We have organised live piano music and Christmas singalongs. We will also have our member's printed, framed photographs for sale, and a collection of great prizes to win, so if you are interested in buying photos or raffle tickets please bring some cash with you.

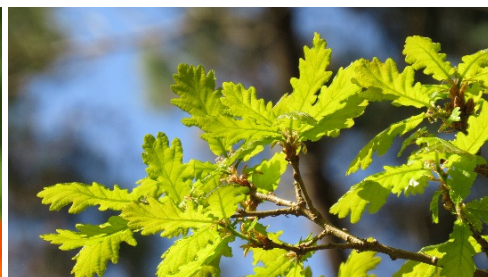

Our personal white boards are easy to use for writing, and also great for drawing. They are one of our most productive and effective activities. No matter what the task our members are happy to use them.

The Community Bus trip in October was a visit to Percy Scenic Reserve in Lower Hutt. It's unique! The reserve has links to the earliest settlement in this area with historic plant collections of scientific significance. It plays an active role in preserving New Zealand's plants.

In October we were invited to Kilmarnock Heights Rest Home for a lovely concert. The performers presented a stunning international song selection with piano music. Everybody admired the performance. We appreciate the invitation and the opportunity to be there. Thank you!!

On the sunny days we encourage every member to participate in the organised outings to enjoy the sun and fresh air. The beautiful and colourful springtime is an excellent time to cherish our natural environment.

Masako is one of our highly valued volunteers who helps out with the lunch preparation twice a week. She is a smiley Japanese lady. Sometimes she makes Japanese dishes for the members.

We love to be here

Warm Regards from the Marsden Club
